**\*\*Please keep in mind that safety and modesty are my main concerns. Make sure that clothing is fitted (i.e. not too long, too baggy, etc.) but not too tight (leotards and tights are the only exception). If you have questions about a certain piece of clothing, please err on the side of caution and ask. Please bring sweatpants, t-shirts, etc. to wear over dance clothing after class. Gum/candy will not be permitted in class. Hair should be pulled up and out of the face. Thank you!**
