Dear Parents/Guardians:

Calvary Christian Academy's Summer Break program provides a structured, safe, and fun environment to keep your child engaged in productive social, physical, academic and spiritual experiences throughout the summer. As an extension of our Christian school and church, we expect students to live up to higher standards of behavior, attitude, and action. As a Christian summer camp, we ask for your cooperation by using discretion regarding the messages on clothing and items brought to camp. Behaviors such as swearing, fighting, bullying, and etc. will not be tolerated.

Additional information:

- Mask usage is up to the individual family and is not required for campers or employees of CCASB
- If a child is exposed to a family member within the household who has tested positive for COVID-19, the student must remain home for 5 days from the day after the positive test or symptoms onset. If the student tests positive after exposure, they will need to stay home an additional 5 days.
- CCASB is not currently required to do contact tracing or notifications to families unless deemed necessary due to an outbreak of symptoms within a class or student activity group.
- Students should not come to Summer Camp if they have a fever, vomiting, or diarrhea. Students should be fever free for 24 hours without medication before returning to camp.
- **PLEASE have your Identification ready** when picking up your child. It will take some time to recognize everyone's guardians and just in case we need to have a different person supervising pick up.
- We may be limited on field trip options depending on the COVID-19 restrictions that some organizations may still have in place.
- Students need to pack their lunch each day
- Traditional water fountains have been closed off, but water bottle filling stations are available for use. Please send a water bottle with your child daily.
- Preschool through entering 2nd should provide an emergency change of clothes to be kept at camp in the event of an accident.

During the summer, we provide academic enrichment, art projects, and opportunities for writing. If your child has an art box full of supplies from this past school year, would you please bring it to summer camp? Each student will need their own supplies to avoid contamination.

Payments for summer camp are required at the beginning of each week. We will provide two ways to pay:

- We will accept cash and checks with envelopes that will be provided in advance. These can be dropped off outside with our nurse.
- We will provide a PayPal link on our website to make payments online (Instructions will be provided in a separate email)

We look forward to providing a safe and fun summer experience for your children. Thank you for the opportunity to partner with you this summer!

Sincerely,

Aaron Coon
