

Welcome CCA Community!

Please review the steps for ordering books for this school year. In order to make things more simple for you, we are collecting fees here and ordering or renting a portion of the books for you. As a result of a large number of families moving to private education across the nation, I recommend ordering as soon as possible to avoid any shipping delays due to inventory concerns. Fees need to be paid and books purchased prior to the start of the school year.

Step 1:

Kindergarten through 12th book fees for rentals and curriculum supplied by the school are collected utilizing this Payment Form Online (PFO) and audited to ensure they are complete. Please input all of your students' names and select the corresponding grade level fees before checking out. You can select a quantity greater than one for twins or siblings in the same grade.

Preschool curriculum fees cover the cost of all curriculum resources including but not limited to digital curriculum, materials, online parent portals, software licensing, assessments, books, and supplemental resources.

Completing this form is one step in ordering books for the year.

Step 2:

Kindergarten through 12th-grade families will also need to visit the [BJU Parent Portal](#) to purchase the BJU curriculum for this year. The BJU online bookstore offers you **free shipping** and the **wholesale price** available to the school. You save money by ordering directly because we would have to charge for shipping and handling.

HIGH SCHOOL FAMILIES, PLEASE NOTE: This year, some of the math, science, and Bible classes do not line up with our schedule for the 9th - 12th. Therefore, you will need to look carefully at the notes for the 9th - 12th grades to make sure you are ordering the correct level.

To be specific:

- 9th-grade and 10th-grade Science are switched
- Math will be based on the Math level your child completed the year before.
- 9th grade Bible is on the 10th-grade list
- Other Bible classes are either correct or the school will be purchasing them for you and billing you here.
