Summer Break Camp 2026

Dear Summer Camp Families,

For over 30 years, Calvary Christian Academy has been honored to provide a safe, structured, and Christ-centered summer experience for families in our community. Our Summer Break Camp exists to serve working families while maintaining the spiritual, academic, and relational values that define our school.

As we prepare for the upcoming summer, we have carefully evaluated last year's program to ensure Summer Camp remains sustainable, well-staffed, and aligned with our mission. In order to continue providing a high-quality experience for our campers and stable employment for our summer staff, we are implementing the following updates for the 2026 summer season:

Minimum Enrollment Requirement

Summer Camp will now require a minimum enrollment and billing of nine (9) weeks. Families are welcome to take additional time off; however, payment for nine weeks is required.

Families may designate one vacation week during the summer.
Current CCA families may designate up to two vacation weeks in recognition of their year-round commitment to the school.

This structure allows us to:
• Provide consistent staffing for campers
• Maintain stable hours for our employees
• Ensure classroom continuity
• Sustain the long-term health of the program

Enrollment priority will be given first to current CCA families requesting full-time summer care, then to returning full-time camp families from the previous year, and finally to new families. Any remaining openings may be offered to current CCA families needing adjusted or part-time schedules.

Attendance Options

We will continue to offer:
• Full-Time Option: Monday–Friday
• Part-Time Option: Tuesday–Thursday

Multi-student discounts apply only to families enrolled full-time (Monday–Friday).

Christian Mission & Behavioral Expectations

Calvary Christian Academy operates Summer Break Camp as a ministry of our Christian school and church. Camp is open to the public; however, enrollment and acceptance follow our Statement of Faith and biblical standards.

We expect students to live up to higher standards of behavior, attitude, and action. Swearing, fighting, bullying, disrespectful conduct, or inappropriate messaging on clothing or personal items will not be tolerated.

To help ensure a positive experience for all campers:
• Non-CCA applicants must submit a teacher reference from their current school (primary teacher).
• All **NEW** non-CCA campers will participate in a ten (10) business-day probationary period at the beginning of enrollment.

Campers are expected to demonstrate behavior consistent with Christian values of respect, self-control, kindness, and obedience. While we believe in grace and growth, we maintain high standards to protect the culture and safety of our camp community.

Calvary Christian Academy reserves the right to dismiss any camper whose behavior poses a risk to the spiritual climate, safety, or overall well-being of the program.

As part of the application process, families will be asked to share church affiliation or faith background so we may better partner in supporting each child spiritually throughout the summer.

Program Details

Ages: 3 to 13

Application & Registration

We utilize Campsite for online applications, account management, communication, and payment processing. Registration is $70 per camper (non-refundable) and includes one camp t-shirt. Tuition operates on a 10-week payment schedule. If not attending all 10 weeks, you must request invoice adjustments for non-attending weeks. Otherwise, the total balance will be evenly distributed over 10 weeks.

Accounts must remain current for continued attendance. Past-due balances may result in cancellation of enrollment. Families are responsible for balances due unless cancellation occurs at least one week in advance.

Additional Information

• Do not send your child if they have fever, vomiting, or diarrhea. Students must be fever-free for 24 hours without medication before returning.

• Students must bring a packed lunch daily.
• Send a labeled water bottle (filling stations available).
• Preschool through entering 2nd grade should bring an emergency change of clothes.
• If your child has an art supply box from the school year, please bring it for summer use.

Our Commitment

These updates are not made lightly. They are designed to:
• Protect the culture of our Christian program
• Provide stability for our staff
• Ensure financial sustainability
• Maintain excellence in care
• Continue serving families for many summers to come

We are deeply grateful for the trust you place in us. It is our prayer that Summer Break Camp continues to be a place where children grow in character, build friendships, and experience the love of Christ in a safe and structured environment.

If you have any questions regarding enrollment or these updates, we are happy to speak with you directly.

We look forward to another meaningful summer together.
